Dear Friends,

At this time of year I often think of a line from a poem written by Percy Bysshe Shelley in 1819, "If Winter comes, can Spring be far behind". As we shiver in these cold, wet and windy days it is a reminder that this season will pass and warmer days will come. I think we are very fortunate in this country to have different seasons. We can appreciate the different beauty of each time of year, with the many changes that we see in the nature around us. It's also encouraging as the daylight hours increase, we do like to see more sunshine!

We are joining with the school again for the Scarecrow Festival at Easter so let's hope for some sunny weather for that. It's not as much fun if it is wet and miserable going round the area looking at all the scarecrows. We shall also be having a Family Service again on Easter Sunday which we know the children enjoyed last year. Please watch out for the times and events we have planned for this and other things later in the year.

Hope for the future is not just about what we have planned at chapel. Our hope is in an eternal future which we can look forward to when we have the Lord Jesus as our Saviour. We can enjoy the fellowship and friendship we share at Scape, but there is much more to come in the eternal kingdom. This troubled and messy world will pass away and we shall have a new, peaceful and unspoilt earth to spend eternity on. If you do not have this certainty and hope, please speak to one of the deacons and they will be happy to share the message of hope with you. Also, if you need prayer, please do ask, we will be glad to help.

Every blessing
Frances

Last weeks collection was £282.10
